Dear Sir:

Applicants agree in part with the Examiner's statement of reasons for allowance in that the prior art of record fails to disclose the limitations noted by the Examiner. However, the Examiner's statement does not reflect all of the language of each of the allowed claims. The totality of the language of each claim provides additional reasons for the allowance of each claim.

Dear Sir:

In the Notice of Allowability dated February 8, 2005, the entity status is incorrectly marked as a small entity. This should be corrected to Large Entity. Applicants filed a Request for Belated Correction of Small Entity Status on November 8, 2001. Applicants again hereby notify the United States Patent and Trademark Office that the application is no longer entitled to status as a small entity.

In addition, Applicants noticed that the Attorney Docket No. is also incorrect. The correct Docket No., as shown above, is M4065.0840/P840.

Applicants request that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect these corrections.
